ROCHMAT ANGGARA
FULL-STACK DEVELOPER

[085714243947](#) | anggararochmat@gmail.com | [LinkedIn](#) | [Portofolio](#)

Bogor, Indonesia

Passionate Full-Stack Developer with a Bachelor's Degree in Information Systems from Gunadarma University. Proficient in core technologies including HTML, CSS, JavaScript, MySQL, C#, Golang, and PHP. Experienced in completing significant projects, such as a Flight Ticket Booking Website and a Chill Web App prototype, with a focus on efficiency and user experience. Strong collaboration and problem-solving skills gained through organizational and project experience. Eager to craft efficient, user-focused digital solutions and continuously improve through learning.

Project Experiences

Chill Web App (Streaming Site Prototype) - Harisenin Project   Dec, 2024 - May 2025
Full-Stack Developer
● Developed a movie streaming site prototype (similar to a Netflix clone) as the final project for the Harisenin bootcamp.
● Implemented the frontend using HTML, CSS, and JavaScript for the user interface.
● Designed and built the backend functionality using Node.js to handle API endpoints and movie data management.

Application Ultralight Hiking - Thesis   Jan, 2023 - Jun, 2023
Android App Developer
● Created and deployed an Android application using the Kodular platform to introduce ultralight hiking techniques.
● The application was completed as the final thesis project for the university.

Flight Ticket Booking Website - University Course   Dec, 2022 - Feb, 2023
Full-Stack Developer
● Built a flight ticket booking website from scratch using C# for the backend logic and MySQL for database management.
● Delivered the website as a final course project, strengthening full-stack development skills.

Education Level

Gunadarma University - Jakarta, Indonesia   Sep, 2017 - Jun, 2024
